 - Participate in the design process and be able to work as part of a team.
 - Develop presentation graphics for a variety of uses
 - Understanding of Revit and Adobe products
- Prior work experience in a professional architectural firm required.

THE OPPORTUNITY - Summer Architectural Intern - Denver

We have an immediate need for two (2) results-driven, passionate Architectural Interns to join our Public and Private Architecture Studios in our Denver Office. The Summer Architectural Intern will perform a variety of assignments under the supervision of a Studio Leader or other professionals in our Denver office in order to gain working knowledge of the Architecture profession as a whole as well as specific to RNL's global practice. This is a Full Time, Temporary position from June through August 2017.

ABOUT US

RNL is an international architecture, interiors, landscape, planning, and lighting design firm with more than 130 professionals in offices located in Denver, Los Angeles, DC, and Abu Dhabi. RNL prides itself on a progressive culture with people who enjoy their jobs, strive for quality design, commit to superior client service and participate in a multi-discipline approach to problem solving. As a member of the US Green Building Council, and with more than 60 LEED accredited professionals, RNL is deeply committed to environmental stewardship through sustainable design practices. We are also recognized among our peers as one of the most sustainable design firms having designed and completed many LEED projects as well as the first Net Zero Energy Building of its kind. In addition, RNL is one of the few architecture and design firms to have achieved Certified B Corporation status, as a validation of our commitment to improving the quality of life of both our employees and the communities we serve. Our focus is on providing transformational design solutions that exceed our client's aspirations through collaboration and understanding.

RNL Design is proud to provide a competitive salary, as well as a professional and collegial culture. RNL Design employees are passionate about what they do and that translates to a culture of high performance and superior client service. RNL Design is an EEO/AA Employer, Female/Minority/Veterans/Disabled/Sexual Orientation/Gender Identity, and provides reasonable accommodation for qualified individuals with disabilities in our job application and hiring process. If you need reasonable accommodation, please contact RNL at 303-295-1717. RNL participates in E-Verify. We invite all applicants to complete and submit with their resume the three Affirmative Action forms found on our website.

To apply, submit a resume and portfolio in PDF format no greater than 10MB directly to: human.resources@rnldesign.com. Resumes without portfolios or only links to websites will not be considered. Submission deadline is March 31, 2017.

Selection of the Summer Architectural Intern will be based on portfolio and resume review followed by a phone interview for the selected candidate. To learn more about the firm, visit www.rnldesign.com.

THE CREDENTIALS

- Strong portfolio (pdf format, less than 10 MB)
- Interest in Sustainable Design which must be reflected in your resume and portfolio
- Strong 3D visualization skills utilizing various software (Rhino, 3DSMAX)
- A diligent and self-directed personality.
