THE OPPORTUNITY - Senior Interior Designer - Washington DC

We have an immediate need for a results-driven, passionate Senior Interior Designer to join our firm in our D.C. area office! This is a great opportunity for an immediate leadership position. This person will be responsible to build our corporate interiors market and studio in the DC area. The position will include business development, building client relationships, and managing/leading all design phases for interior design projects. RNL employees are passionate about what they do and that translates to a culture of high performance and superior client service. We are an Employee owned company that has had an ESOP in place for 30 years.

ABOUT US

RNL is an international architecture, interiors, landscape, planning and lighting design firm with more than 130 professionals in offices located in Denver, Los Angeles, Washington DC, and Abu Dhabi, UAE. RNL prides itself on a progressive culture with people who enjoy their jobs, strive for quality design, commit to superior client service and participate in a multi-discipline approach to problem solving. As a member of the US Green Building Council, and with more than 60 LEED accredited professionals, RNL is deeply committed to environmental stewardship through sustainable design practices. In addition, RNL is one of the few architecture and design firms to have achieved Certified B Corporation status, as a validation of our commitment to improving the quality of life of both our employees and the communities we serve. Our focus is on providing transformational design solutions that exceed our clients' aspirations through collaboration and understanding.

RNL Design is an EEO/AA Employer, Female/Minority/Veterans/Disabled/Sexual Orientation/Gender Identity, and provides reasonable accommodation for qualified individuals with disabilities in our job application and hiring process.
